REDUCTION IN FORCE (RIF) PREPAYMENT OPTION FORM

If you lost your job at the State of Montana due to a reduction in force and you elect the benefits under the State Employee Protection Act, you are entitled to continue on the State of Montana Health Benefit Plan (State Plan) for a period of six months following your terminations (2-18-1205, MCA). You continue receiving the employer contribution (State Share) for the six-month period and **basic life, medical, dental, vision, and medical flexible spending account benefits** can remain intact. You must continue to pay your out-of-pocket contribution amounts. If you obtain another position with the State of Montana and you become eligible for benefits, your coverage will automatically continue as an active employee under your new employment.

Employee Supplemental Life, Spouse Supplemental Life, Accidental Death & Dismemberment, Dependent Life, and Long Term Disability coverages will not continue during the six-month State Employee Protection Act period. Plan Members who lose eligibility for group life insurance coverage with the State Plan are eligible to port or convert their life insurance coverage to an individual policy with The Standard Life Insurance Company by making application to The Standard at (800) 378-4668. Long Term Disability coverage may not be converted to an individual coverage plan.

NOTE: Depending upon the length of time you have been employed by the State of Montana, you may be eligible to receive an additional month of coverage as an active member, called the "grandfathered" month. The six-month continuation of benefits begins after the "grandfathered" month of coverage.

INSTRUCTIONS & DEADLINE FOR PREPAYMENT – Use this form to elect to prepay your State Plan coverage from your final paycheck.

This form must be submitted to your agency payroll department prior to your termination date in order to have deductions taken from your final paycheck.
